Description of fiscal impact

HB 110 requires that certain legislative documents be available in an electronic version and removes the requirement to charge the public for these paper documents. The total fiscal impact to the Legislative Branch is a \$408.00 reduction in revenue over the biennium.

FISCAL ANALYSIS

Assumptions

Legislative Branch

1. The Legislative Services Division receives the bulk of the revenue (approximately \$400.00) during the legislative session, which takes place in the odd-numbered state fiscal year (FY 2027 and FY 2029).
2. In the even-numbered state fiscal year (FY 2026 and FY 2028), and the odd-numbered HB 1 years (FY 2027 and FY 2029), approximately \$8.00 of revenue is received.
3. There is currently no offset for agency expenditures from this revenue since it is deposited into the general fund.
4. If a member of the public is unable to retrieve a single copy electronically, and the Legislative Print Shop subsequently receives a request for a printed single copy, it's assumed that the print cost will be absorbed within the division's existing budget.
