Description of fiscal impact

HB 127 removes the date restriction for the current biennium fire preparedness statutory appropriation to the Department of Natural Resources and Conservation (DNRC) as allowed in 76-13-150, MCA, and adds reporting requirements. Existing tracking will allow DNRC to execute the new reporting with no fiscal impact to the agency.

FISCAL ANALYSIS

Assumptions

1. Section 1 of HB 127 amends 76-13-150, MCA by removing the date restriction in subsection (8).
2. Section 2 is new and requires Department of Natural Resources and Conservation (DNRC) to report to the Natural Resources and Transportation Budget Committee on expenditures made each fiscal year.
3. It's assumed that the Natural Resources and Transportation Budget Committee will receive this report as part of its normal duties, and that there is no additional fiscal impact to the Legislative Branch or DNRC.
