Description of fiscal impact

HB 146 creates an increased application fee for sandhill crane and swan licenses. The bill also increases the license fee for migratory birds, and creates a license fee for sandhill crane and swan licenses.

FISCAL ANALYSIS

Assumptions

1. HB 146 creates an increased application fee for sandhill crane licenses and swan licenses. The following table shows the current and proposed application fee for these license types by residency:

Residency	Application Type	Current Application Fee	Proposed	Application
·			Fee	
Resident	Sandhill Crane	\$5.00	\$10.00	
Resident	Swan	\$5.00	\$10.00	
Nonresident	Sandhill Crane	\$5.00	\$50.00	
Nonresident	Swan	\$5.00	\$50.00	

2. HB 146 also increases the license price for resident migratory game birds, and adds a license price for sandhill cranes and swans. The following table shows the current and proposed license prices:

Residency	License Type	Current License Price	Proposed License Price
Resident	Migratory Bird Adult	\$5.50	\$10.00
Resident	Migratory Bird Youth	\$2.75	\$5.00
Resident	Sandhill Crane	\$0.00	\$10.00
Resident	Swan	\$0.00	\$10.00

Page 1 of 4

Nonresident	Sandhill Crane	\$0.00	\$75.00
Nonresident	Swan	\$0.00	\$75.00

3. The following tables show the total revenue for license year (LY) 2024 applications and licenses sold (license year to date as of 1/9/2024) for these license types:

Residency	Application Type	Current	Quantity	Total Revenue
	**	Application Fee		
Resident	Sandhill Crane	\$5.00	1,857	\$9,285
Resident	Swan	\$5.00	1,684	\$8,420
Nonresident	Sandhill Crane	\$5.00	106	\$530
Nonresident	Swan	\$5.00	196	\$980
	Total		3,843	\$19,215
Residency	License Type	Current License Price	Quantity	Total Revenue
Resident	Migratory Bird Adult	\$5.50	28,100	\$154,550
Resident	Migratory Bird Youth	\$2.75	3,115	\$8,566
Resident	Sandhill Crane	\$0.00	2548	\$0
Resident	Swan	\$0.00	870	\$0
Nonresident	Sandhill Crane	\$0.00	458	\$0
Nonresident	Swan	\$0.00	129	\$0
	To	tal	35,220	\$163,116
		Total Curre	ent Revenue	\$182,331

4. The Department of Fish, Wildlife and Parks (FWP) does not know how many hunters would choose not to purchase one of these licenses in future years if the price increases. Therefore, for the purposes of this fiscal note, FWP assumes the same number of hunters will apply and purchase these licenses in future years. The following table shows the total revenue based on proposed application and license fees, assuming the number of hunters purchasing or applying for these licenses would not change:

Residency	Application Type	Proposed	Quantity	Total Revenue
	127.70	Application Fee		
Resident	Sandhill Crane	\$10.00	1,857	\$18,570
Resident	Swan	\$10.00	1,684	\$16,840
Nonresident	Sandhill Crane	\$50.00	106	\$5,300
Nonresident	Swan	\$50.00	196	\$9,800
	To	tal	3,843	\$50,510
Residency	License Type	Proposed License	Quantity	Total Revenue
		Price		
Resident	Migratory Bird	\$10.00	28,100	\$281,000
	Adult		***	-
Resident	Migratory Bird	\$5.00	3,115	\$15,575
	Youth		*	

Resident	Sandhill Crane	\$10.00	2,548	\$25,480	
Resident	Swan	\$10.00	870	\$8,700	
Nonresident	Sandhill Crane	\$75.00	458	\$34,350	
Nonresident	Swan	\$75.00	129	\$9,675	
		Total	35,220	\$374,780	
		Total	Proposed Revenue	\$425,290	

5. The increase in revenue over current revenue for these licenses would be projected at \$242,959. Additional revenue would be expended for the operations and benefit of the Upland Game Bird Program.
