Description of fiscal impact

HB 393, as amended, requires certain local government boards to make audio recordings of meetings available on-line within 14 business days of the meeting. There is no fiscal impact to the state.

FISCAL ANALYSIS

Assumptions

1. HB 393 applies to towns in Montana and therefore has no fiscal impact to the state.

Effect on County or Other Local Revenues or Expenditures

Montana League of Cities and Towns

2. The bill will have a minimal negative fiscal impact on towns with a population of more than 300 people by requiring those towns to record the audio of their council meetings and post the recordings on the town website or social media page. Qualifying towns will need to purchase a device to record audio of the council meetings as well as assign staff time to post the recordings to a website or social media page within 14 business days.
