### Description of fiscal impact

HB 668 prohibits gambling activities on the premises of any new entity licensed under 16-4-201(8)(c) or 16-4-105(1)(e). For all-beverage licenses and retail on-premises consumption beer and wine licenses this includes any post or a nationally chartered veterans' organization or a lodge of a recognized national fraternal organization. For retail on-premises consumption beer and wine licenses this also includes enlisted persons', noncommissioned officers', or officers' clubs located on a state or federal military reservation. This would result in a loss of revenue to the Montana Lottery (lottery) of approximately \$21,458 annually.

### FISCAL ANALYSIS

#### Assumptions

#### Department of Administration - Montana State Lottery

1. This bill would prohibit gambling for new establishments with licenses issued under MCA 16-4-201(8)(c). These are establishments like veterans' organization or any lodge of a recognized national fraternal organization.
2. It is assumed that there would be one new establishment that would be in business starting FY 2026.
3. On average, these types of establishments generate \$21,458 in revenue for lottery.
4. This would result in revenue loss of \$21,458 annually each fiscal year that would be set to be transferred to the general fund.

## Technical Concerns

1. There is no way of knowing how many new locations may open in the future. As a result, the actual fiscal impact may be understated.
