Other - Proprietary Fund	\$1,392	\$0	\$0	\$0

Net Impact-General Fund Balance	\$0	\$0	\$0	\$0
---------------------------------	-----	-----	-----	-----

Description of fiscal impact: SB 562 proposes revisions to laws related to elections in Montana and increases the filing fee for U.S. Senate candidates.

FISCAL ANALYSIS

Assumptions:

Secretary of State's Office

- Based on the 2024 primary election, it is assumed that eight U.S. Senate Candidates will file with the Office of the Secretary of State in FY 2026.
- SB 562 increases the candidate filing fee for U.S. Senate candidates by 0.1% of the total annual salary of a U.S. Senator. The annual salary is assumed to be \$174,000. It is assumed the Office of the Secretary will collect \$1,392 in additional candidate filing fee revenue in FY 2026. [$\$174,000 \text{ salary} \times 1\% \text{ current percentage} = \$1,740 \text{ candidate filing fee}$] [$\$174,000 \text{ salary} \times 1.1\% \text{ proposed percentage} = \$1,914 \text{ candidate filing fee}$] [$\$1,914 \text{ proposed fee} - \$1,740 \text{ current fee} = \$174 \text{ fee difference}$] [$\$174 \text{ fee difference} \times 8 \text{ candidates} = \$1,392 \text{ additional candidate filing fee revenue}$]
- The MT voter registration and election management system may incur system development costs in FY 2026 to adjust ballot style generation and update the U.S. Senate candidate filing fee schedule. The Office of the Secretary of State is unable to determine the fiscal impact.

4. There may also be a fiscal impact for processes related to proofing of ballots, administrative rulemaking, and outreach in FY 2026 and FY 2028. The Office of the Secretary of State is unable to determine the fiscal impact.
